Attorney's Docket No.: 05110-016002

REMARKS

Claims 53-54 and 66-67 have been amended to overcome the examiner's objection to the lack of antecedent reference for the term, "records".

A minor amendment to claims 54 and 67 has been made to correct an inconsistent use of terminology. The reference to "user-definable" obviously is meant to be a reference to "user-selectable", the term used earlier in each of the claim.

A terminal disclaimer with respect to U.S. Patents Nos., 6,212,529 and 6,141,664 is enclosed.

Accordingly, the claims are in condition for immediate allowance.
